Sri D. B. KALMANKAR.—In view of the policy of the Government to grant lands to landless Harijans, will it not be better to bring such lands within the purview of land grant rules and see that such lands are given to those persons, Sir ?

Sri H. V. KOUJALGI.—The question of applying land grant rules to such cases does not arise.

Sri B. B. SAYANAK.—I rise to a point of order. Yesterday, after the question time is over, the Chair did not allow my question. Now, the question time is over, but still supplementaries are permitted.
